1	<p>Updates as per email 5/17/24</p> <p>1 - On the home page I would like the Mitsubishi Electric drop down to be placed right after the "about" drop down.</p> <p>2 - I would like the photo gallery with all the Mitsubishi equipment that is under sample projects, to be placed as the first item in the drop down for Mitsubishi Electric. I noticed if customers are coming to our page specifically for Mitsubishi it's a little difficult to find the pictures related to Mitsubishi the way it is now.</p> <p>3 - Family owned - In the portion that states as the family business has grown - reword "our services have expanded from plumbing and heating to Mitsubishi ductless heat pumps, high efficiency boiler installations and radiant floor heating for both residential and commercial clients"</p>	\$50.00	\$50.00
